

# 2022 Student Case Competition Call for Applications

**32<sup>nd</sup> World CONFERENCE 2022, Costa Rica**

Hosted by **INCAE Business School** and **EARTH University**

IFAMA World Conferences convenes members from academia, industry, government, NGOs, and young professionals from around the world to share, learn, explore, and build upon the latest research trends and innovations currently shaping the agribusiness sector.

We are pleased to announce that the IFAMA 2022 Student Case Competition will be hosted in Costa Rica as part of the 32nd annual World Conference on June 18-19, 2022, on the theme: **“Sustainability in agribusiness: the role of technology, of network management and consequent value chain disruptions”**.

## **Application Information for Student Case Competition**

Teams or students that wish to participate must submit a formal application (Just one application for an entire team, or an individual application if you want to join a team). Every effort will be made to accommodate all applications. However, if more applications are received than can be accommodated, preference will be given to applications with the earliest submission dates and an attempt will be made to balance participation with teams from the various regions and universities represented in IFAMA.

Upon acceptance, all student team members and their advisors are expected to follow the normal registration process for the IFAMA conference. A fully paid registration is required for all team members no later than March 30, 2022, and they are listed below.

## **Registration Fees**

Competing teams are incentivized to register early for the Student Case Competition because the Early Bird fee also includes a free 1-year Student Membership to IFAMA (\$25) for each team member. The fee also includes conference registration for the entire congress, June 18-23.

- Early Bird Fee: **(\$1.100 USD per team of 3 to 4 members)** or **(\$1,350 for 5)**. Early Bird Registration ends on February 15, 2022.
- Late conference registration fee: **(\$1.500 USD per team of 3 to 4 members)** or **(\$1,850 for 5)**. It ends on March 30, 2022. All team members must register, and payments should be completed no later than **March 30, 2022**.
