# Investment Chart

Due to the format and dynamics of learning at INCAE, it is required to live on campus during the study period with the exception of the duration of MCP in which students may have to adapt to the requirements of the project. This includes the use of all common areas of INCAE, sports and recreation, gym, library, and CAEs.

## Here are a few things you should know...

- a. The Seat Reservation is the confirmation of participation in the program and is subject to the seat reservation policy.
- b. It includes academic costs and teaching materials.
- c. Accommodation in a shared room on campus during the program is included. It includes courtesy cleaning twice a week, excluding bed linens and bathrooms. It does not include water, cable, or any other services that the student may wish to contract. It does not cover accommodation during the MCP period or graduation week. Please inquire about other types of accommodations.

The total price does not include immigration processing fees, airfare, medical insurance, participation fee for the graduation ceremony, as well as any other item not detailed in this document.

The student must cover their travel expenses (tickets, allowances, immigration processing, other personal expenses) for mandatory international program trips.

## ADMISSION PROCESS

The payment of the admission process fee **does not guarantee acceptance to the program** to which a student is applying. Under no circumstances is the Admission Fee refundable. It is non-transferable to another person or to an application to a different program.

This information is subject to change which will be promptly communicated.

## MEDICAL INSURANCE

It is mandatory for students to have a health insurance with international coverage valid for their entire study period. This may be purchased in their country of residence (subject to approval by INCAE). For students who come with companions, insurances must be acquired separately for each one.
