

GLOBAL MBA

+DIGITAL TRANSFORMATION

Take advantage of global networking opportunities, live in a multicultural environment 24/7 and get a full international experience through exchange and double degree programs in universities around the globe.

“ The Global MBA exposed me to the world, not only thinking in Latin America, but showing me that there are opportunities beyond our borders.

Allan Martínez, Global MBA student ”

REAL GLOBAL NETWORK

Have a true multicultural experience: 100% of our students live together during the program.

Cultural diversity is only the first step to boost your network to an international level, which would take years to achieve without the 24/7 cultural immersion.

Enrich your personal experience relating with students from different professional backgrounds.

INTERNATIONAL EXPERIENCE

You will have the opportunity to take your learning process up to 4 countries. Acquire a deep understanding of the Latin American market and a **global vision to reach beyond its borders.**

GLOBAL NETWORK WEEK

Pursue intensive studies in one of the 29 network schools around the globe. Attend classes, tour local businesses and meet with experts to discuss current business problems and opportunities.

Create a network with students from different cultural backgrounds and learn the skills to succeed in a multinational team environment.

SILICON VALLEY TRIP

Take a study trip abroad and have the possibility to discuss cases with highly recognized executives from global companies like Microsoft, HP, Google, among others.

**(organizations we have visited in previous years).*

GLOBAL OPPORTUNITIES

Take an exchange opportunity or a double degree program with one of our more than **30 partner universities** around the world.

DOUBLE DEGREES

Obtain a second degree from an allied university.

Partner schools for double degrees:

EXCHANGE PROGRAMS

Study a semester abroad at one of our partner schools.

Partner schools for exchange programs include:

TOP EXPERIENTIAL LEARNING

Case study method: manage real life situations and solve intricate problems in controlled environments under the guidance of Ph.D. professors.

MANAGEMENT CONSULTING PROJECT

It is a six-week plan developed in groups and deals with an important problem that the management of an organization needs to solve. You will bring to the project your knowledge of Latin America with Global Perspective and a solid mastery of the competitiveness and sustainability dimensions. It is considered one of the most enriching experiences and a valuable opportunity to establish connections with potential employers.
